CUSTOM SILICONE BANDS

## Affiliate Program

Earn up to 25% on sales made through your link to the Handband® site. It's as easy as creating a Handband® affiliate account through our online Affiliate Centre, setting up the link on your web-site or off-line marketing materials, and sitting back to watch the commissions come in.

## Features

- Up to 25% on each sale generated from your link
- Earn commissions through website banners on your website AND through your offline marketing materials
- Links provided to forward customers to the Handband® home page
- Dedicated Account Management including sales tracking & statistics
- Your customers receive a discounted price using your off-line voucher code from non-website referrals

## On-line Sales Referrals

Sales made via your Handband® affiliate links will earn you commission for up to 120 days from customers' initial website referral, even if the customer didn't make a purchase on their first visit.

## Unique Off-line Tracking

Handband's® non-website tracking system enables you to also use your affiliate code in your off-line sales literature. Customer's receive a discount of up to 2.5% on their purchase by entering your unique voucher code upon check-out.

This supports your off-line sales and marketing efforts and helps track your commissions.

## Commission Payments

Handband's® commission rates are amongst the best in the world. Affiliates earn up to 25% commission on all purchases made via your on-line affiliate link (on an affiliate scripts lifetime), or via a voucher code on your off-line marketing materials.

## How much does it cost?

The Handband® Affiliate program is completely free to join. There are no set-up or ongoing charges whatsoever. That means that you can generate extra revenue from your web-site simply by adding a link or banner, or off-line just by adding the voucher code to your standard advertising literature.
