"We purchased some handbands to help fundraise for caritas at our school St Patricks College in Launceston. Michael from Handbands was fabulous and wonderful to deal with. The turnaround from order to receiving them was unbelievably quick and they were exactly what we wanted. Being able to keep a check on things on the internet while waiting was also good. The follow up from Micheal was great. The students at our school loved them and they are selling like hot cakes. Again thanks for all your support in helping to raise more funds for those less fortunate."
